RE: Naming Request – 190 Trapelo Road

Dear Councillors:

I respectfully request that the area to the left as you enter from Trapelo Road, including the former Shriver and Cerc buildings, sledding hill and open space to the eastern property line, including both parking lots be named, "The Eunice Kennedy Shriver Memorial Grounds". In addition to Eunice Kennedy Shriver's connection to the former Fernald School, she was the founder of the Special Olympics Program, a sports organization for persons with intellectual disabilities.

At the request of neighborhood advocate and former Conservation Commission member Patricia Dileso, to have the Fernald named a National Historic Site, I contacted Senator John Kerry for assistance. However, nothing was realized from that. The Fernald Reuse Committee also made recommendations to honor Eunice Kennedy Shriver.

I will be available to answer any questions you may have regarding this request.

Sincerely,

Jeannette A. McCarthy
